WHAT THE COMMITTEES DO

EDUCATION COMMITTEE: Manage the process of creating and reviewing policies, which guide the work of the school and respond to government requirements and initiatives. Includes analysis of school performance data and the sharing of these outcomes with School Council and community.

BUILDINGS AND GROUNDS COMMITTEE – MAJOR PROJECTS COMMITTEE: Maintains oversight of the major infrastructure projects and undertake the work of formulating the schools buildings and grounds master plan.

BUILDINGS AND GROUNDS MAINTENANCE COMMITTEE: Manages maintenance of regular buildings and grounds works and organises working bees.

FINANCE COMMITTEE: Oversees the management of school operational finances and ensures there is good governance and responsible administration of the financial resources of the school.

OUTSIDE SCHOOL HOURS CARE COMMITTEE: Oversees the operation and regulatory compliance of the Outside School Hours Care program.

COMMUNITY EVENTS TEAM: Supports the community life and learning programs of the school by organising fundraising and social events.

GRANT WRITING COMMITTEE: Aims to improve the school experience of children and families by applying for grants that provide additional resources.

SPROUT COMMITTEE: Works in support of the canteen coordinator, workers and volunteers who are involved in the operation of the school café/canteen.

JUNIOR SCHOOL COUNCIL: Student representatives from each classroom group are elected by their peers to meet and discuss issues and ideas relevant to the children's life at school. JSC provides 'student voice' in the governance of the school.

'MAKE STUFF PRETTY' COMMITTEE: This group of parents bring their graphic design skills to school material productions to improve the aesthetic quality of the schools representation to the BNWPS and wider community.
