PARENT/TEACHER INTERVIEWS

Tuesday 28 February 2017

Student Free day – No school for students on this day

Dear Parents/Carers,

Parent/Teacher Interviews will be held on Tuesday 28 February from 12.30 – 7.45pm in 10-minute blocks.

The purpose of this interview is to enable teachers to discuss with parents issues related to the commencement of learning programs for the 2017 school year. This includes work undertaken so far, approach and application to learning, and the student's attitudes and behaviour in the classroom and playground. It is also an opportunity for parents to inform teachers of helpful information about the student that may assist in planning individual learning.

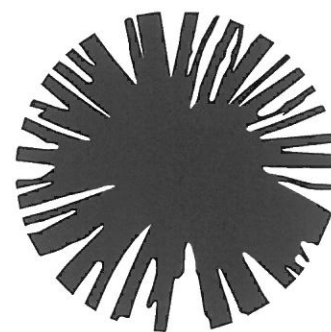

To assist with our organisation, please complete the attached form and return to your child's class teacher by Wednesday 22 February. Your confirmed interview time will be forwarded to you on Friday 24 February.

Please note that Tuesday 28 February is a nominated student free day. The Department of Education and Training allows all school to nominate four days during the year as student free days for reporting to parent activities and professional development.

Specialist teachers are also available for interviews with parents who have a significant concern. Please complete the attached form if you require a meeting with one of these staff members. Depending on the number of requested interviews, some meetings with specialist teachers may have to be scheduled for times after this date.

Yours sincerely

Trevor Bowen
